25% Matching Bonus on all Level 2 Solar Connectors		✓	✓	✓
25% Matching Bonus on all Level 3 Solar Connectors			✓	✓
10% Infinity Bonus *Unlimited Levels				✓

Contracts required for All Star, MVP, and Hall Of Famer are made up of the total contracts from your personal referrals and all referrals of your Level 1 Solar Connectors. Qualifications are cumulative and include any contracts used to achieve the previous ranks. For example, once you have achieved the rank of All Star, those 5 contracts will count towards your qualifications for MVP and Hall of Famer as well.

Solar Connectors can only earn commissions for referrals where the Solar Connector is not the property owner or decision-maker. Solar Connectors may submit their own property for solar installation; however, they are not eligible to earn a commission on that referral. Instead, any commission generated will be paid to the Solar Connector who directly enrolled them.
